THE HEART OF BELFAST

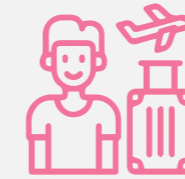

INTRODUCTION

As the only airport in the heart of Belfast, Belfast City Airport is a key strategic gateway for both leisure and business passengers travelling to and from Northern Ireland.

A prime location in the heart of the city, speedy security times, an efficient terminal layout, and outstanding passenger service – it's easy to see why Belfast City Airport is the airport of choice in Northern Ireland and an ideal platform for taking your brand to new heights.

MEDIA PACK

2.4m passengers and growing

Northern Ireland's **only true global gateway**, with worldwide connectivity via major hubs including Amsterdam and London Heathrow

The UK and Ireland's **most convenient airport**, located just 5 minutes from Belfast city centre

Extensive route network with **high frequency** flights to destinations across the UK and Europe

Six minute average security processing speed, giving passengers more time to relax, unwind, and enjoy themselves before they fly

The UK's **most punctual airport** for 2023 and 2024

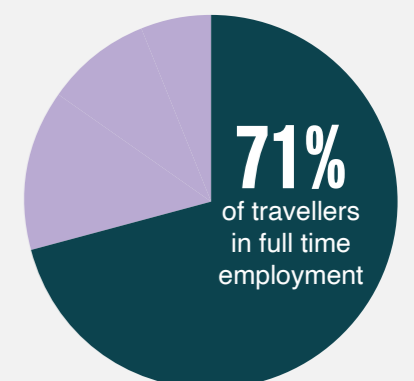

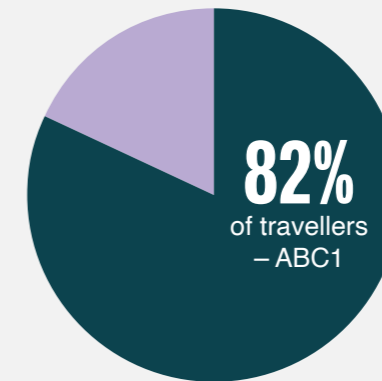

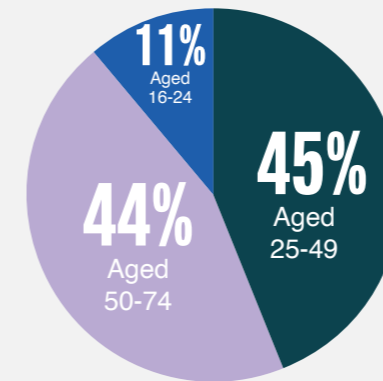

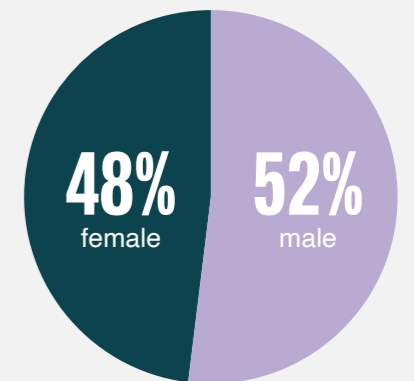

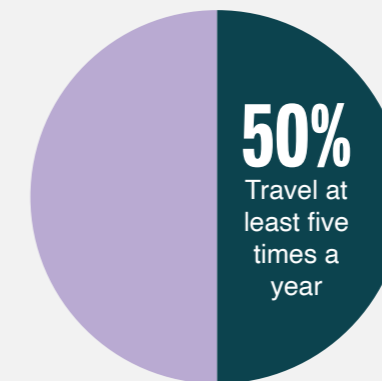

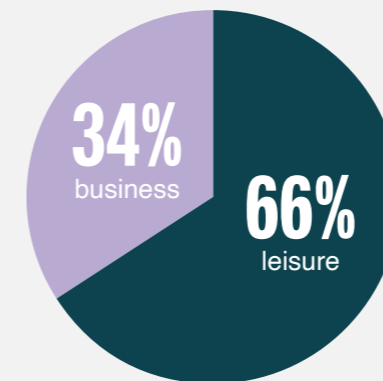

Prime location in the **heart of Belfast**

*According to Ipsos research

15 YEARS OF PARTNERSHIP

MEDIA PACK

In 2024, Belfast City Airport marked 15 years of its advertising partnership with iconic local crisp brand, Tayto.

From bus shelters to wall wraps, Tayto has done it all!

- 'Welcome home' wall wrap
- Experiential in-terminal activity
- Gate wraps
- Pick Up and Drop Off bus shelter wrap

We chose to advertise at Belfast City Airport 15 years ago because of the presence that it offered us as a brand, with lots of opportunity to make a statement, and the impact and the feedback since has been amazing.

The team at Belfast City Airport has always had great ideas and been a really good team to work with - nothing has been too much of a problem and they've really embraced what we have wanted to do.

Elly Hunter,
Group Marketing Director at Tayto

WHAT OUR CLIENTS SAY ABOUT US

BELFAST CITY AIRPORT

Our partnership with Belfast City Airport has been an incredibly effective way to enhance VANRATH's visibility as a leading recruitment agency.

With our branding prominently displayed along the fence line and walkway from the car park to the terminal entrance, we reach a broad audience of both business and leisure passengers.

The team at Belfast City Airport is always great to work with and we are excited to continue our partnership in the many years to come.

VANRATH

Our long-term partnership with Belfast City Airport has provided us with invaluable brand exposure, enhancing our visibility and attracting discerning customers who appreciate the luxury and heritage that Lunn's represents.

The entire process, from concept to execution, was seamless, and the impact on our business has been significant.

We look forward to continuing our partnership with Belfast City Airport as we showcase the finest in luxury jewellery to travellers from around the world.

Lunns

Belfast City Airport is an ideal high impact advertising environment for Tourism NI. Using the transit corridor, it provides a unique opportunity across a wide creative canvas, to reach and welcome visitors to NI, right before their giant adventure begins. The format helps to evoke an essence of the place at the point of entry, demonstrating the huge variety of attractions and activities on offer, across all of Northern Ireland, inspiring visitors to see and do more.

Tourism Northern Ireland

Advertising at Belfast Airport has given our campaign unmatched visibility to a high-value, captive audience. Belfast City Airport brings a huge number of passengers through its gates each year, so we are thrilled with the exposure and engagement it's brought to our brand, Denny!
